

CROESO I GROVE

Dear Guest,

Welcome to Grove of Narberth, where we are very proud of our Wine offering, which we think can be as exciting as any other aspect of your stay with us.

The present List is the fruit of our passion for fine Wine, as well as our continuous effort to create a unique experience for the visitor of the Grove. It is a work in progress, but we sincerely hope that you will enjoy reading through its pages, find the wines of your pleasure and let us create a memorable experience for you.

The choices that you are about to browse, have been put together, in order to compliment the elegance of the dishes created by our Executive Chef, Douglas Balish, and are there to provide exceptional representation and value for each country and region listed.

We are blessed to be situated within the beautiful countryside of Pembrokeshire, where nature provides locally some of the British Isles' best produce for our Chef's culinary creations.

Equally, our Wine List continuously evolves around the ethos of sustainable viticulture, winemaking and commercial practices, as well as finding the hidden vinous gems of Wales, therefore there is a plethora of options made with organic and/or natural methods at any price point and region of origin.

Here at the Grove of Narberth we believe that good service is about helping you create those special moments, which will become the memories of the future. If there are any questions, feel free to ask any member of our Sommelier Team, who will be more than happy to help.

Iechyd Da / To Good Health!

Cofion Cynnes / Kind Regards,
Alexios Stasinopoulos, Director of Wine
Cathryn Bell, Head Sommelier

Billecart-Salmon has always been a firm favourite of ours here at Grove and so we proudly present them as our house Champagne.

Established in 1818 by Nicolas-Francois Billecart, the house today is run by the 7th generation of the Billecart-Salmon family, making it one of the few remaining champagne houses to be owned by the original family.

With a small estate of 100 hectares, Billecart-Salmon pride themselves on combining the best traditions with modern vinification methods to create wines with rare complexity and stunning freshness.
