

CROESO I GROVE

Dear Guest,

Welcome to Grove of Narberth, where we are very proud of our Wine offering, which we think can be as exciting as any other aspect of your stay with us.

The present List is the fruit of our passion for fine Wine, as well as our continuous effort to create a unique experience for the visitor of the Grove. It is a work in progress, but we sincerely hope that you will enjoy reading through its pages, find the wines of your pleasure and let us create a memorable experience for you.

The choices that you are about to browse, have been put together, in order to compliment the elegance of the dishes created by our Executive Chef, Douglas Balish, and are there to provide exceptional representation and value for each country and region listed.

We are blessed to be situated within the beautiful countryside of Pembrokeshire, where nature provides locally some of the British Isles' best produce for our Chef's culinary creations.

Equally, our Wine List continuously evolves around the ethos of sustainable viticulture, winemaking and commercial practices, as well as finding the hidden vinous gems of Wales, therefore there is a plethora of options made with organic and/or natural methods at any price point and region of origin.

Here at the Grove of Narberth we believe that good service is about helping you create those special moments, which will become the memories of the future. If there are any questions, feel free to ask any member of our Sommelier Team, who will be more than happy to help.

Iechyd Da / To Good Health!

Cofion Cynnes / Kind Regards,

Cathryn Bell, Head Sommelier

ROSÉ

ROSÉ WINE

Here at Grove we are always excited to enjoy all Seasons and their beautiful days, with which come the leisurely afternoons in our lounges, around a chilled bottle of rosé to be shared among friends.

Our Sommeliers are proud to present their selection to accompany these moments, or even serve these wines alongside with our Chef's creations in the Artisan Rooms and in the Fernery. Feel free to order or ask us, if you have any questions.
